Roundup Committee consists of:
Executive – Chair, Co-Chair, Treasurer, Secretary
Sub-Committees – Co-Treasurer, Program Chair & Co-Chairs (2), Registration Chair & Co-Chair, Hospitality Chair and Co-Chairs (2), Entertainment Chair & Co-Chair, Transportation Chair & Co-Chair (if sub-committee needed)

General: The Area 82 Assembly rotates between St. John's, Cornerbrook, Sydney and Halifax. Districts 1&2 are asked to host when the meetings are in Halifax and become responsible to form a local committee only when a decision is made to host a roundup with the Assembly. Area 82 holds responsibility to organize the meetings if there is no roundup associated with them.

Participation on the local committee is on a volunteer basis. While sub-committees are responsible for the areas they oversee, all major decisions need to be vetted through the committee before being finalized. The committee must have a quorum (50% +1 of the Executive Committee and Committee Chairs or Committee Co-Chairs in their absence) before decisions can be made. This removes any perception an individual is running the show, protecting the integrity of the committee. A quorum protects individuals from getting into awkward positions that could arise from a lack of knowledge or experience.

In the spirit of rotation, it is preferable that volunteers rotate through committee positions each year. It is customary to begin as a co-chair and work up to the chair position to learn the various duties and encourage new members to join the committee. The Chair is voted in by the past year’s committee. The Chair is someone who, ideally, has served on at least two Assembly or Mid-Winter roundup sub-committees prior to occupying that position. It is recommended the Committee Chair and Co-Chair and the Treasurer and Co-Treasurer have a minimum five years of sobriety, the secretary, sub-committee chairs and 1st co-chairs two years of sobriety, 2nd co-chairs may have one year. First co-chairs must be willing to automatically move into the chair position if a chair position becomes vacant.

Communication and teamwork are important. Sub-committee chairs are responsible for giving directions and dividing up duties among their Co-Chairs and Co-Chairs should be encouraged to step up to their sub-committee Chair position on the next local Assembly/Roundup Committee.
