May 14th., 2016

It is with a heavy heart and great reluctance that we write this notice to inform District 7 and the local groups, that after a period of some 62 years, we the current active members, at a business meeting of the group conscience, held May 6th., 2016, determined that the “24 Hour Group’ could no longer continue to hold meetings due to declining membership and failing health of the limited active members.

Effective Friday, May 13th., after the Monthly Open Meeting the group has closed the doors of the rooms at 13 Pleasant St., after a period of more than 62 years of keeping the doors open to help the suffering alcoholic, “one day at a time”, since June 23rd., 1953.

On behalf of the group conscience, we as members of the 24 Hour Group and as trusted servants of AA as a whole we regretfully submit this notice of closure.
