Recovery, Unity, Service

—these are the Three Legacies given to the whole membership of A.A. by its founders and their fellow oldtimers. When this heritage was announced, at the St. Louis Convention in 1955, celebrating A.A.'s 20th birthday, Doctor Bob was already gone. But Bill W. spoke for him and the other pioneers, as well as for himself, in turning over to all of us the responsibility for A.A.'s continuation and growth.

Simple service tasks have helped to develop confidence, a belief in one's own value and opinions, self-respect and self-worth. We have all found that participating in service activities has helped our recovery. Everyone in AA has some contribution to make. There are so many ways of practising our Twelfth Step. Some are talented in hospital or prison work, others can write to loners or answer telephones and some have abilities which lie in committee activities or sponsorship. But service is not just for a small number of experienced people. Each one of us has been surprised at the abilities which have emerged with a willingness to grow in service.

The Unity Declaration reads:

This we owe to A.A.'s future: to place our common welfare first;
to keep our Fellowship united.
For on A.A. unity depend our lives and the lives of those to come.

The Responsibility Statement reads:

I am Responsible.
When anyone, anywhere, reaches out for help,
I want the hand of A.A. always to be there.
And for that: I am responsible.

On Tradition One

One Our common welfare should come first per-sonal recovery depends upon A.A. unity.

THE unity of Alcoholics Anonymous is the most cherished quality our Society has. Our lives, the lives of all to come, depend squarely upon it. We stay whole, or A.A. dies.

Concept I

Final responsibility and ultimate authority for A.A. world services should always reside in the collective conscience of our whole Fellowship.
