Paula L. celebrating 1 year of sobriety

Come join us celebrate sobriety with fellowship and fun.

Step 4, Tradition 4 and Concept 4

Step 4

"A searching and fearless moral inventory"

The benefits of completing Step Four are strengthened sobriety, spiritual growth and movement towards mending your relationships to your HP, yourself and other human beings. What's the biggest requirement for this action step? Be honest!

Tradition 4

"Tradition 4: Each group should be autonomous except in matters affecting other groups or AA as a whole."

Each 12-step group has complete freedom to decide for itself the program content of its meetings and the topics that will be discussed. The group can decide if the meeting will be open or closed and when and where the meeting will be held. Each group can decide to change its meeting format and has complete authority to spend its funds as needed.

Concept 4

"Throughout our Conference structure, we ought to maintain at all responsible levels a traditional "Right of Participation," taking care that each classification or group of our world servants shall be allowed a voting representation in reasonable proportion to the responsibility that each must discharge."
