There are a couple of things happening in the New Year with PI:

- 1. If you are interested in being on the 12 step call list, let me know. It is suggested you have a sponsor and have been through the steps.**
- 2. We are working on an awareness blitz involving businesses in District 6. A short note inviting cooperation in displaying a small placard with our helpline number on it. Anyone interested in helping deliver the packets when it comes time, give me a call or text. Thanks Mike C. 902-895-8504**
