

# Alcoholics Anonymous District One Halifax NS & Central Service – 2025 Year-to-date Report

Good morning everyone. I'm Samaira, and I'm an alcoholic. I'm grateful to stand before you today to share the 2025 year-to-date report for District One Halifax and Central Service.

## Gratitude & Purpose

First, thank you to all our trusted servants, group representatives, sponsors, and especially the newcomers who showed up and kept coming back. Our primary purpose remains unchanged: to stay sober and help other alcoholics achieve sobriety.

In 2025, **District One hosted 22ish active AA groups**, with meetings morning, noon, and night, including in-person, hybrid, and online formats. We welcomed a few new meetings/groups this year, including an All my relations group and a new LGBTQ+ friendly meeting.
