

Attendance showed steady recovery post-pandemic, with upticks during holidays and anniversaries.

- We continue outreach ensured that newcomers were warmly welcomed and sponsored where possible.

The **Central Service Office** in Halifax/Dartmouth continued to act as a vital hub, fielding an average of **80 calls per month**, providing meeting lists, literature, and connecting alcoholics with 12th Step volunteers.

- Literature sales were steady, with the Big Book and Daily Reflections remaining the top sellers.
- A new website refresh improved access to meeting information,
- Our **PI/CPC committee** (Public Information/Cooperation with Professional Community) re-established relationships with local hospitals, detox centers, and correctional facilities.
